Creative solutions for complex trust needs

U.S. Bank Default Services Group has the resources, expertise and financial strength that few in the industry can match. With the backing of the 5th largest commercial bank in the country, the Default Services Group is part of a nationwide staff of 1,400 corporate trust professionals, located in 47 offices.

Our account managers average over 20 years of corporate trust experience and have successfully managed thousands of troubled transactions, involving virtually every industry and ranging in complexity from covenant defaults to large corporate bankruptcies.

We offer a proven track record of providing creative solutions to complex problems. Additionally, having a dedicated default processing group allows us to quickly respond and execute under the most challenging of circumstances. These advantages, coupled with our vast array of services, allow us to truly be a "one-stop shop" for management of any workout or litigation related matter.

When you choose U.S. Bank as your partner, you are selecting an industry leader with a proven commitment to the corporate trust business that consistently meets the needs of its clients and beneficiaries.
